We also keep the full range of iPods and iPhones (we are an Optus Premium Reseller). My Mac is also the exclusive outlet for a number of 3rd part products that until now have been unavailable in Australia.

Some Of the Brands We Sell,

Apple Computer, Kanto Av Speakers, Vers Speakers, Bose Speakers, Microsoft, Adobe, Griffin iPod Accessories, Xtrememac, Monster Cable, iSkin, Vax Barcelona, STM bags, Vaja Case's, Epson, Sennheiser, Shure, V-Moda , Lacie , WD Hard Drives, ICY Dock Hard Drive enclosure's. Logitech, Akai LCD Tv 's

About Us

From humble beginnings in a small shop in Moorabbin, Victoria 10 years ago, My Mac has grown into one of Australia's leading Apple Premium Resellers. We have two stores, located right in the heart of the Central Business Districts of Melbourne and Sydney.

We have been providing Apple solutions to our customers for over 10 years - long before the iPod and Mac OS X made Apple cool again. We pride ourselves on only employing 'Mac' people. You won't find a 'genius' bar, but you will find staff who know what a Micro-DVI to DVI adapter is.

We understand that every customer has unique needs, what works for a professional photographer is probably overkill for a family holiday. We can help you get your work done more efficiently, or to let your hair down more creatively.

It may sound contrite, but we don't love Macs because we sell them. We sell Macs because we love them. We know what to recommend to you, the customer, because unlike many retail stores, our staff personally own & use the stuff we sell.

It is our goal to always provide our customers with the highest quality advice, support and service.
